

BIO-RAD

Bio-Rad is looking for a

Quality Assurance Supervisor (100%)

Bio-Rad is an innovative company and thanks to its laboratory diagnostic systems world leader in the field of blood group serology.

Your tasks

- Manage, lead and coach the Quality Assurance System team.
- Ensure conformity and application of the Quality Management Systems across the facility.
- Manage customer audits and regulatory inspections.
- Drive strategies to continuously improve Quality Management Systems that enable Bio-Rad to efficiently meet customer and regulatory requirements.
- Collaborate actively with the business partners to develop quality mindset.
- Monitor the foreseen regulatory evolutions to anticipate new requirements and get set for the future.

Your profile

- Educational background in Biology, Pharmaceutical or related domain (BSc/MSc or equivalent education in Science).
- At least 5 years of experience in Quality Assurance in an In Vitro Diagnostics company or other related industry (Pharmaceutical, Biotechnology, Medical); including 3 years in a management role.
- Thorough understanding of ISO Norm 13485, the European Directive 98/79/CE and the 21CFR820.
- Strong leadership, people management and coaching skills.
- Teamwork mindset and good communicator.
- Strong problem solving skills, with creative and strategic thinking.
- Experience with project management, experience in Lean or Six Sigma projects preferred. Certification Lean / 6 σ Green Belt would be a plus.
- Either French or German as a native language, with good knowledge of the other language. English on a professional level.

Our company is involved in the supply of high-quality products and services intended for diagnostic laboratories. Independence, innovation and commitment are the fundamental values that permeate our company culture, as well as a strong orientation towards our customers and a multicultural environment.

If you feel attracted to this unique opportunity and you would like to take on new challenges, we would like to get to know you. Please forward your complete application dossier (application letter, CV, copies of work certificates and diplomas/degrees, etc.) to the address given in the advertisement.
